

Agency Programme T&Cs

COMMISSIONS (on successful sign up)

Seasoned pay commission on pre-booked food and beverage to our agent programme clients. In order to become a qualified member, please can you fill out the form on our webpage; we will then confirm that it has been countersigned and your membership is approved. This process needs to take place before your first event is booked, in order for us to pay commission.

Commission cannot be paid until you have confirmation from us that you are a qualifying member before your first event is booked. We do not pay commission on crew food, equipment hire or staffing. Only pre-ordered food and drink is commissionable.

We will need to receive your commission invoice within 30 days from the date that the final invoice is received in order for the claim to be processed.

PARTICIPATING COMPANIES

Seasoned Venues - Seasoned Events
(Commission on room hire is subject to the individual venue policy).

We cannot accept payments of commission being taken from the final invoice payment. Commission will be paid post event, once total payment has been received. Payment of invoices will be 30 days from the end of the month that the invoice is received in.
